

James Hooper

National Geographic Adventurer of the Year 2008

Youngest Briton to summit Mount Everest at just 19 years old. First ever natural powered pole to pole expedition

JAMES HOOPER is an experienced motivational speaker who delivers a truly inspiring message.

Despite being just 21 years old, James has a unique ability to captivate the audience and bring his incredible experiences to life. Having spent most of his young life organising expeditions, James articulates the importance of teamwork, leadership and communication that are so fundamental to any successful venture.

"Having attended a recent talk by [Rob and] James I was overwhelmed by their achievement. However, just as impressive was their ability to convey their achievements in a very natural understated way..."

Derek Stuart, Artemis Investments

"Pole to Pole highlights so many issues that are interesting at so many levels. These likeable, young, inspirational men presented brilliantly"

Ben Ashlin, Adidas UK

2008 Adventurer of the Year
